# ABOUT US

USHASRI Facilities Management can benefit greatly from introduction or expansion of an automated information system, which would cover such jobs as crew scheduling, parts inventory management, preventive maintenance, and equipment history. USHASRI Facilities management represents a wider range of activities than just business services and these are referred to as non-core functions. They vary from one business sector to another sector.

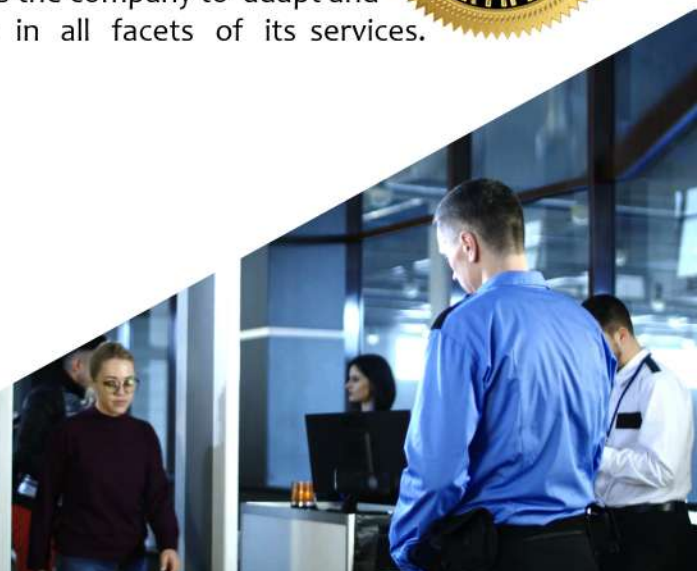

We are pleased to introduce ourselves as one of the prolific Security Agency, consisting a team of disciplined and experienced professionals, under the guidance of Qualified Ex-Police Officers. Who can tackle the security wings at all levels from the smallest to the largest of MNC's, corporate sectors, Hospitals, Hotels, Industrial and Commercial Institutions, Guest Houses, Residential Apartments & Villas. We have been providing services to fill in all circumstances & budget.

Our organization consisting of young, tough and well-disciplined security guards, security supervisors, experienced field officers, Operation managers and experienced security managers. We all are at your service to full fill your requirements at any time. We offer a range of Support Services to improve and add value to the work environment of our client - allowing them to concentrate on their core business activities. Many of these work solutions have been developed over time, in pace with the growing needs and changes in their business environments.

# HISTORY

Evolving from a security services company, USHASRI Facilities management Services has grown solidly to now operate in all market segments across both commercial and residential sectors. USHASRI Facilities Management Services saw a clear gap in the market for reliable solutions delivered with professionalism and good customer service, which deliver both customer and financial value. Firm foundations have allowed us to now offer security services, cleaning services, and general maintenance services, fire and safety, receptionist services, landscaping services, Escorts and special Events.

This professional security is not only founded on exemplary training and professional standards but also in providing a total client focused experience second to none. USHASRI Security's Directors and Senior Management have adopted the ISO 9001:2015 Total Quality Management System which ensures that their clientele receive outstanding service at all times which exceeds their expectation. As a customer focused company we recognize the value customer feedback which allows the company to adapt and grow in all facets of its services.
